

# *Ridin' the Wave of the Future*

7th Annual FL SAND Conference

**January 25-27, 2019**

Florida Hotel & Conference Center  
Orlando

## Sponsor & Exhibitor Opportunities

### About FL SAND . . .

FL SAND is an independent 501(c)(3) organization that was formed by and is operated by self-advocates. FL SAND has a board of directors and is comprised of 16 local grass-roots groups that advocate in their communities. FL SAND provides a united voice on statewide issues and topics that are important to all persons with disabilities throughout the state, such as transportation, employment, and healthcare.

### About Self-Advocacy . . .

Self-advocates are persons with intellectual or developmental disabilities who speak for themselves and participate in decisions about their lives. They promote their abilities and use their talents and voices to benefit all persons with disabilities. Self-advocates often work together in groups to accomplish their goals with a united effort and promote awareness about the need for inclusion for all.

### Why Invest in the FL SAND Annual

**Conference . . .** The FL SAND Annual Conference is the largest gathering of self-advocates in the state. In 2019, more than 150 self-advocates, their allies, and provider agency representatives will be on hand in support of the self-advocacy movement in Florida. The annual conference offers self-advocates opportunities to network with their colleagues from around the state and learn new skills via training on topics such as self-determination, financial independence, employment, issue advocacy, voting rights, leadership skills, and community inclusion in all aspects of life. At the 2019 conference we'll discuss plans for securing our future through sustainability measures and new programs. Join us as we ride the wave of the future! A conference sponsorship offers your organization the opportunity to not only showcase your goods and services to this important group, but to herald your support for more vibrant and inclusive opportunities for persons with developmental disabilities in Florida. Your support will help FL SAND members continue to make a difference in their communities and throughout the state for years to come!

For more information, contact Kelli Munn at (352) 224-0223 / [contactflsand@gmail.com](mailto:contactflsand@gmail.com)
